Clairsienne

Groupe ActionLogement

An architectural rendering of a modern residential development. In the foreground, there are tall grasses and shrubs. A large, light-colored wooden pavilion with a red-tiled roof stands in the middle ground. Under the pavilion, a group of people, including children and adults, are gathered around a table displaying various items. To the right of the pavilion, a paved area with a basketball hoop is visible, where more people are playing. In the background, there are several two-story houses with light-colored facades and red-tiled roofs. A silver car is parked on the left side. The sky is blue with some clouds.

Hameau Marsillon

Ambarès et Lagrave

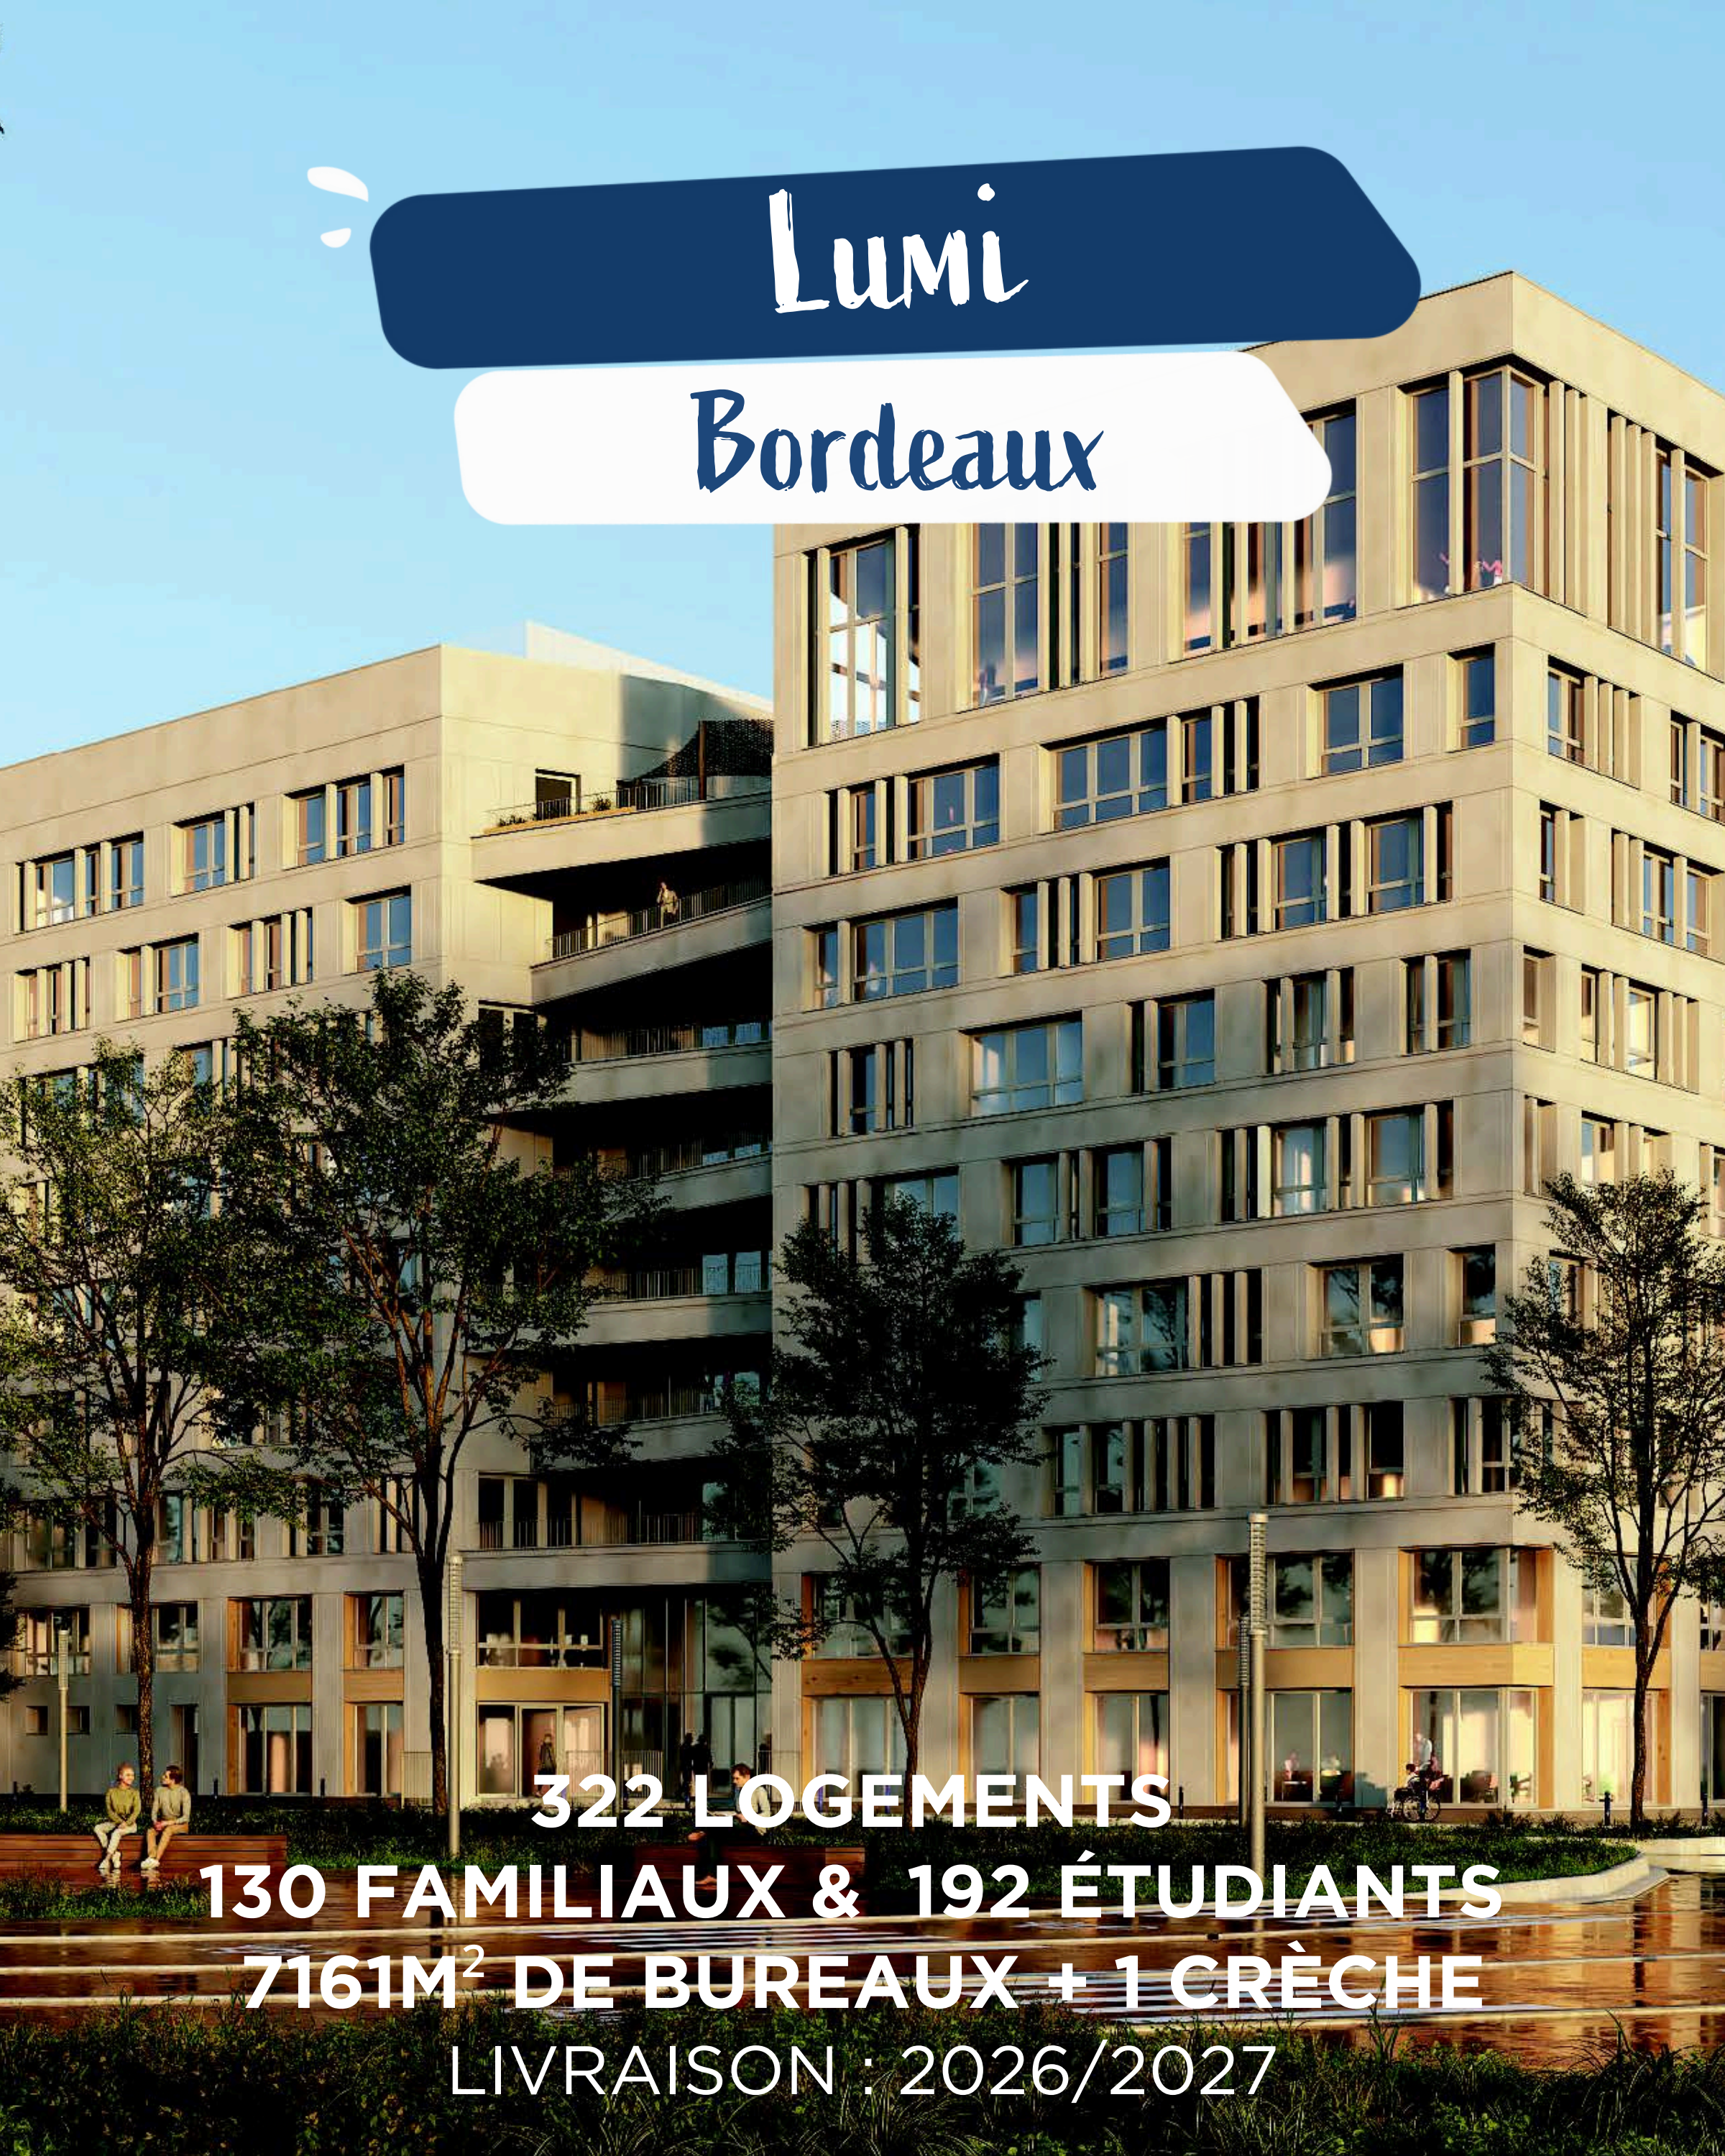

71 LOGEMENTS FAMILIAUX

LIVRAISON : 2026

An architectural rendering of a modern residential building. The building features a mix of white and light-colored wood cladding, with balconies and large windows. In the foreground, there is a lush garden with tall grasses, shrubs, and several trees. A woman and a young girl are walking along a paved path in the lower right corner. The sky is blue with scattered white clouds.

34 LOGEMENTS FAMILIAUX

LIVRAISON : 2026

An architectural rendering of a modern, multi-story student housing building. The building features a light-colored facade with large, rectangular windows and balconies. A prominent green roof with a large tree and other vegetation is visible. The building is situated on a street corner with a crosswalk and a pedestrian crossing. A person is walking on the sidewalk, and a car is parked on the street. The sky is blue with some clouds.
